

Date: August 2 (Thursday), 2018

Venue: Hemodialysis unit of Kidney Center, First Central Hospital of Mongolia

Title: Program of training for machine maintenance, dialysate quality check, and vascular access evaluation by group

08:30 – 09:00 Registration

09:00 – 12:00 Training by group

Group 1: Working on hemodialysis machine by group
(4 groups, in each group 6 persons)

Trainer: *H. Yamamoto, E. Kimura, K. Ariyoshi, Y. Washio*

Group 2: Working on dialysate quality check including endotoxin measurement, viable bacterial count, dialysate concentration
(4 groups, in each group 6 persons)

Trainer: *K.Kokubo, H.Matsubara*

Group 3: Working on vascular access evaluation and echo guided puncture
(1 group, in each group 5 persons)

Trainer: *T. Naganuma, A. Hanaoka, K. Tokuda*

12:00 – 13:30 Lunch break

13:30 – 16:30 Training by group

Group 1: Working on hemodialysis machine by group
(4 groups, in each group 6 persons)

Trainer: *H. Yamamoto, E. Kimura, K. Ariyoshi, Y. Washio*

Group 2: Working on dialysate quality check including endotoxin measurement, viable bacterial count, dialysate concentration
(4 groups, in each group 6 persons)

Trainer: *K.Kokubo, H.Matsubara*

Group 3: Working on vascular access evaluation and echo guided puncture
(1 group, in each group 5 persons)

Trainer: *T. Naganuma, A. Hanaoka, K. Tokuda*

END OF TRAINING

Date:	August 3 (Friday)
Venue:	Conference hall B, Ministry of Health, Mongolia
Title:	Program of the Seminar
08:30 – 09:00	Registration
	Morning session 1 <i>Chairs: Toshihide Naganuma, Japan and Chuluuntsetseg Dorj, Mongolia</i>
09:00 – 09:15	Opening ceremony
	Mr.Chuluunbaatar Donhim <i>MD, General Director of the First Central Hospital of Mongolia</i>
	Mr. Kenichi Kokubo <i>PhD, Associate Professor, Kitasato University School of Allied Health Sciences, Kanagawa, Japan; Chairman, Committee on International Affairs, Japanese Society for Technology of Blood Purification, Tokyo, Japan; Auditor Secretary, NGO Ubiquitous Blood Purification International, Yokohama, Japan; Member, Human Resource Development Program Committee for Dialysis Specialist in Developing Country, Japanese Society for Dialysis Therapy, Tokyo Japan</i>
	Mr.Khurtsbayar Damdinsuren <i>MD, Kidney Center, the First Central of Mongolia, President of Mongolian Nephrology Association</i>
09:15 – 09:45	Principles, Techniques and Procedures of hemodiafiltration <i>Emi Kimura, Tokyo, Japan</i>
09:45 – 10:15	Water quality standard for hemodialysis and hemodiafiltration in Japan <i>Kenichi Kokubo, Kanagawa, Japan</i>
10:15 – 10:45	Practice of dialysis nursing – Monitoring <i>Katsuya Tokuda, Fukuoka, Japan</i>
10:45 – 11:00	Answers & Questions
11:00 – 11:15	Coffee & Tea break
	Morning session 2 <i>Chairs: Hiroko Yamamoto, Japan and Khurtsbayar Damdinsuren, Mongolia</i>
11:15 – 11:45	Adjusting and maintaining dry-weight in dialysis patients <i>Kenichi Kokubo, Kanagawa, Japan</i>
11:45 – 12:05	Study of calcium and phosphorus metabolism disorder in Mongolian hemodialysis patients <i>Saruultuvshin Adiya, Ulaanbaatar, Mongolia</i>
12:05 – 12:35	Use of L-carnitine and Nocid in hemodialysis practise <i>Nadmid Khorloo, Monfa Trade & Chuluuntsetseg Dorj, Ulaanbaatar, Mongolia</i>

12:35 – 12:50	Answers & Questions
12:50 – 13:30	Lunch break
Afternoon session 1	
<i>Chairs: Kenichi Kokubo, Japan and Od-Erdene, Mongolia</i>	
13:30 – 14:00	IgA nephropathy <i>Toshihide Naganuma, Osaka, Japan</i>
14:00 – 14:30	Continuous renal replacement therapies <i>Hiroko Yamamoto, Tokyo, Japan</i>
14:30 – 15:00	Active vitamin D therapy in CKD patients <i>Chuluuntsetseg Dorj, Ulaanbaatar, Mongolia</i>
15:00 – 15:15	Answers & Questions
15:15 – 15:30	Coffee & Tea break
Afternoon session 2	
<i>Chairs: Hirokazu Matsubara, Japan and Saruultuvshin Adiya, Mongolia</i>	
15:30 – 15:50	Therapeutic apheresis <i>Ako Hanaoka, Osaka, Japan</i>
15:50 – 16:10	Vascular Access for Apheresis Therapy - technique of direct puncture <i>Toshihide Naganuma, Osaka, Japan</i>
16:10 – 16:30	Introduction of Peritoneal Dialysis for End Stage Renal Disease in Mongolia <i>Od-Erdene Lhaahuu, Ulaanbaatar, Mongolia</i>
16:30 – 17:00	Treatment of Thioctacid <i>Oyunchimeg Dashzeveg, Monos pharm trade, Mongolia</i>
17:00 – 17:15	Answers & Questions
17:15 – 17:30	Closing ceremony <i>Ms.Chuluuntsetseg Dorj MD, Head of Kidney Center of First Central Hospital of Mongolia, Chairman of Mongolian Association of Hemodialysis</i>
17:30 – 17:50	To hand certificate
END OF SEMINAR
