09:20 - 09:25	Kenichi Kokubo, PhD Associate Professor, Kitasato University, Japan		
	Moderator N.Suvd, First Central Hospital		
Guest speakers			
T.Ariunaa, MD, PhD, Professor Mongolian National University of Medical Sciences	Yoshiaki Takemoto, MD, PhD, Associate Professor, Osaka City University Graduate School of Medicine and President of Japanese Society of Dialysis Therapy	Ming-hui Zhao, MD, PhD Professor Peking University First Hospital	Oh Kook Hwan, MD, PhD Seoul National University College of Medicine
Mongolia	Japan	People's Republic of China	The Republic of Korea
Moderator N.Suvd, First Central Hospital			
NEPHROLOGY			
Moderator: T.Ariunaa, Mongolian National University of Medical Sciences D.Chuluuntsetseg, First Central Hospital			
9:30 - 9:45	CKD	T.Ariunaa, MD, PhD, Professor	Mongolian National University of Medical Sciences
09:45 - 10:00	Renal tubular acidosis	S.Baigalmaa, MD, PhD	Second Central Hospital

10:00 - 10:15	Catabolism rate estimation of children with dialysis	D.Baigalmaa, MD, MSc	National Center for Maternal and Child Health
10:15 - 10:30	Kidney biopsy findings	N.Ulzii-Orshikh, MD, MSc	First Central Hospital
Q & A (5 min)			
10:35 – 10:45 Coffee break			
HEMODIALYSIS			
Moderator G.Gankhuyag (UBmed), S.Baigalmaa (Second Central Hospital)			
10:45 – 11:00	Dialysis registration data, 2020, Mongolian Nephrology Association	A.Saruultuvshin, MD, PhD	First Central Hospital
11:00 - 11:15	Overview of Dialysis Situation and Treatment Results in Khovd Province	T.Enkhtsetseg, MD, MSc	Regional Diagnostic and Treatment Center, Khovd province
11:15 – 11:30	Private practice involvement in hemodialysis development in Mongolia	B.Ulziimaa, MD	Nart - Erdenes HD center
11:30 - 11:55	Current Status and Future of Hemodialysis Therapy in Japan	Yoshiaki Takemoto, MD, PhD, Associate Professor	Osaka City University Graduate School of Medicine and President of Japanese Society of Dialysis Therapy, Japan
11:55 – 12:20	CKD burden in China and introduction of CK-NET (Chinese Kidney Disease NetWork)	Ming-hui Zhao, MD, PhD, Professor	Peking University First Hospital, People's Republic of China
Q & A (10 min)			
12:30 - 13:30 Lunch break (Sponsors's seminar)			
12:30 - 12:45	Monfa Trade		Sponsors' seminars
12:45 - 13:00	Tsahiur Tumor		
13:00 - 13:15	Denk pharma		
13:15 - 13:30	Bionorika		
HEMODIALYSIS			
Moderator G.Gankhuyag (Ubmed), S.Baigalmaa (Second Central Hospital)			
13:30 - 13:45	Dialysis related amyloidosis	D.Khurtsbayar, MD, MSc	First Central Hospital
13:45 – 14:00	AVF, anatomy	O.Adiyakhuu, MD, surgeon	Agape Christian Hospital
	AVF, physiology	Ch.Dorjderem, MD, surgeon	

14:00-14:20	Handbook of hemodialysis 	D.Enkhzaya	Rafael International, NGO
14:20-14:45	Current overview of dialysis development in the Republic of Korea and worldwide	Oh Kook Hwan MD, PhD	Seoul National University the Republic of Korea
Q & A (5 min)			
14:50-15:00 Coffee break			
PERITONEAL DIALYSIS			
Moderator L.Od-Erdene (First Central Hospital), D.Khurtbayar (First Central Hospital)			
15:00-15:15	Peritoneal dialysis, 2021	A.Uugan-Erdene, MD	First Central Hospital, Medvik Dialysis Center
15:15-15:30	PD, Orkhon province	B.Narantungalag, MD	Орхон БОЭТ
KIDNEY TRANSPLANTATION			
Moderator J.Ariunbold, First Central Hospital, D.Munkhzul, Third Central Hospital			
15:30-15:45	Study on kidney recipients with SARS-CoV-2 infections	Ts.Khishigee, MD	First Central Hospital
15:45-16:00	Outcome of Live Donor Kidney Transplantation	A.Saruultuvshin, MD, PhD	First Central Hospital
Q & A (10 min)			
CLOSING REMARKS			
D.Khurtbayar, President, Mongolian Nephrology Association (5 min)
