

PROGRAM AT A GLANCE

MONGOLIA - JAPAN THE 6TH JOINT SEMINAR ON HEMODIALYSIS TECHNOLOGY AND TREATMENT FOR CHRONIC KIDNEY DISEASE

For doctors, nurses, hemodialysis engineers, technicians, dieticians and physiotherapists

Date	August 23 (Fri)
Venue	Medvic 1 dialysis center (First Central Hospital), Second Central Hospital, Medvic 2 dialysis center (Third Central Hospital), ICU Dialysis Center, National Center for Maternal and Child of Mongolia, Ulaanbaatar city, Mongolia
Title	Program of hands-on seminar of vascular access, nursing of HD and PD patients, nutritional management and physiotherapy for dialysis patients
08.30-09.00	Registration
09.00-12.30	Training by group
	1. Vascular access group 1: Vascular access AVF puncture by plastic cannula using a vascular model Venue: Medvic 2 dialysis center (Third Central Hospital)
	2. Vascular access group 2: Vascular access AVF puncture by plastic cannula using vascular model Venue: Second Central Hospital
	3. Vascular access group 3: Vascular access AVF puncture by plastic cannula using a vascular model Venue: ICU dialysis center
	4. Nutritional management for dialysis patients: Group 4. Venue: Medvic 1 dialysis center (First Central Hospital)
	5. Physiotherapy for dialysis patients: Group 5. Venue: Medvic 1 dialysis center (First Central Hospital)
	6. Visiting in National Center for Maternal and Child of Mongolia: Group 6. Venue: National Center for Maternal and Child of Mongolia
12.30-14.00	Lunch
	End of hands-on seminar

Date	August 24 (Sat)
Venue	Tuushin Hotel, 5th floor, Soyombo conference hall
Title	Mongolia - Japan the 6th Joint Seminar on Hemodialysis Technology and Treatment for Chronic Kidney Disease <i>For doctors, nurses, hemodialysis engineers, technicians, dieticians and physiotherapists</i>
08.00-08.30	Registration
08.30-08.45	<p>Opening remarks Khurtsbayar Damdinsuren MD Clinical Professor, Consultant Nephrologist, President, Mongolian Nephrology Association, Kidney center, The First Central Hospital</p> <p>Mr. Junji Uchida MD., PhD. Professor and Chairman, Department of Urology, Graduate School of Medicine, Osaka Metropolitan University, Osaka, Japan. Member of the board of directors, Japanese Society for Clinical Renal Transplantation Council member, Japanese Society for Clinical Renal Transplantation Council Member, Japanese Urological Association Council Member, Japanese Society for Dialysis Therapy Auditor, Japanese Society for Dialysis Therapy Council Member, Japanese Society of Endourology Council Member, Japanese Society for Transplantation Council Member, Osaka Medical Association. Vice president, Osaka Society of Clinical Urology. Member of directors, Osaka Society of Clinical Urology. Guest Professor, International University, Phnom Penh, Cambodia</p> <p>Mr.Kenichi Kokubo Ph.D Associate Professor, Kitasato University School of Allied Health Sciences, Kanagawa, Japan Vice president, Japanese Society for Technology of Blood Purification, Tokyo, Japan Executive board member, NGO Ubiquitous Blood Purification International, Yokohama, Japan Member, Human Resource Development Program Committee for Dialysis Specialist in Developing Country, Japanese Society for Dialysis Therapy, Tokyo Japan</p>
08.45-10.20	<p>Session 1 Chairs: Toshihide Naganuma & Khurtsbayar Damdinsuren</p>
08.45-09.25	<p>New classification of uremic toxin and dialysis techniques <i>Kenichi Kokubo Kitasato University</i></p>
09.25-10.05	<p>Kidney Transplantation as renal replacement therapy <i>Junji Uchida Osaka Metropolitan University</i></p>
10.05-10.20	<p>KDIGO 2022 Clinical practice guideline for diabetes management in CKD <i>Chuluuntsetseg Dorj Kidney center, The First Central Hospital</i></p>
10.20-10.30	Coffee & Tea break

10.30-12.05	Session 2 Chairs: Toru Hyodo & Oyuntsetseg Noosgoi
10.30-11.10	Chronic kidney disease and dialysis treatment in children <i>Hyogo Nakakura Amanokawa hospital</i>
11.10-11.50	Phosphorus management for hemodialysis patients and introduction of a low-protein diet for CKD patients <i>Yukie Kitajima Tokyo Healthcare University</i>
11.50-12.05	Anemia management in the patient with CKD <i>Saruultuvshin Adiya Mongolia Japan Hospital, Mongolian National University of Medical Sciences</i>
12.05-13.00	Lunch
13.00-15.15	Session 3 Chairs: Hiroki Yabe & Ariunaa Togtokh
13.00-13.40	Management of secondary hyperparathyroidism and surgical therapy & The New Technologies and Equipment of Vascular Access Therapy in Japan <i>Toshihide Naganuma Osaka Metropolitan University</i>
13.40-14.20	Physiotherapy for dialysis patients <i>Ren Takahashi Kaikokai Josai Hospital</i>
14.20-14.35	Total parathyroidectomy with autotransplantation for patients with secondary parathyroidism <i>Sanchir-Erdene Bilegsaikhan Department of General Surgeon, The First Central Hospital</i>
14.35-15.15	Dialysis related products <i>Takuya Miyatake Nipro Corp</i>
15.15-15.25	Coffee & Tea break
15.25-17.15	Session 4 Chairs: Hyogo Nakakura & Enkhtuya Jambaldorj
15.25-16.05	Clinical practice of peritoneal dialysis <i>Nanami Matsui Osaka Metropolitan University</i>
16.05-16.20	Current situation of peritoneal dialysis care in Mongolia <i>Ugan-Erdene Amarbold Kidney center, The First Central Hospital</i>
16.20-17.00	Management of peritoneal catheter exit-site <i>Saori Kuroda Shizuoka Kyoritsu Clinic</i>
17.00-17.15	Surgical techniques in peritoneal dialysis catheter insertion <i>Munkhjavkhlán Dorjsuren Department of General Surgeon, Mungunguur Hospital</i>
17.15-17.30	Closing remarks Mr.Toru Hyodo MD., PhD. Vice Chair, JSDT Human Resource Development Program Committee for Dialysis Specialist in Developing Country Secretary General, NGO Ubiquitous Blood Purification International, Yokohama Vice President, the Japanese Assistance Council of establishing Dialysis Specialists system in Cambodia, Tokyo, Japan Honorary President of the Ho Chi Min City Society of the Dialysis Therapy, Vietnam Honorary President of the Cambodian Association of Nephrology, Cambodia

	<p>Affiliate doctor, Department of Urology, Kitasato University School of Medicine, Sagamihara, Japan Guest Prof. Sen Sok International University Hospital, Cambodia-Japan Friendship Blood Purification Center, Phnom Penh, Cambodia Director, Fureai Clinic Izumi, Yokohama, Japan</p> <p>Mr.Kenichi Kokubo Ph.D, Associate Professor, Kitasato University School of Allied Health Sciences, Kanagawa, Japan Vice president, Japanese Society for Technology of Blood Purification, Tokyo, Japan Executive board member, NGO Ubiquitous Blood Purification International, Yokohama, Japan Member, Human Resource Development Program Committee for Dialysis Specialist in Developing Country, Japanese Society for Dialysis Therapy, Tokyo Japan</p> <p>Chuluuntsetseg Dorj MD Clinical Professor, Consultant Nephrologist, Kidney center, The First Central Hospital</p>
18.00-21.00.	Dinner
